Bridal Courtesies and Policies Contract

Guaranteed Reserved Time

1. A Wedding Reservation Form and signed Policies Contract are necessary to reserve Bridal services. In addition a 25% deposit of the entire day of bridal party hair and makeup services is required to hold the wedding date and time. This deposit can then be applied towards the wedding-day balance. Dates are not held or secured without the complete information. Belleza Bridal and Hair Salon receive requests daily and the Bridal Specialist will advise the date is available and respond with a confirmation once time is secured. Belleza works hard to make this a simple, easy experience for each and every Bride.

Initial: _____

Deposits

2. Deposits are nonrefundable within 90 days of the scheduled wedding date. Any cancelled services or changes made within 90 days of the scheduled wedding will result in forfeiting the 25% of those altered or cancelled services. This is due to the time reserved in advance. *(If wedding services are reserved within less than 90 days prior to the wedding date, the information provided on the Reservation Packet cannot be changed.)*

(Non-refundable after: _____)

Initial: _____

3. All deposits and wedding-day payments are required to be made through PayPal for ease of billing. (Visit bellezabridalandhairsalon.com/bridal-hairsalon for a helpful PayPal video tutorial.) The full balance for the services requested and stated on The Bridal Reservation Packet is due a week prior to the scheduled wedding date via PayPal. (Due on: _____) Services can also be paid in full ahead of time if preferred. Wedding party members can be added to the invoice or one person can make all payments. Any remaining balance will be solely the Brides responsibility. All invoices will be issued via email, this is why email addresses are necessary. Any additional services *(if time permits)* added last minute the day-of wedding will need to be paid in cash or a check made out to Belleza Salon. **Failure to pay in full by the due date will result in a \$100 late fee that will be added on the PayPal invoice.**

Initial: _____

Pre-Wedding Services

4. Bridal party hair and makeup trials, as well as any other services outside of wedding day services, are a separate fee, not included on the PayPal invoice and are paid for at time of service in Belleza Salon.

Initial: _____

5. Belleza Bridal and Hair Salon always recommends a hair and makeup trial.

- a. We have different trial options available. For such an important day we understand Brides sometimes change their mind and want to try an additional look. Because of this, we have a discounted follow-up Bridal trial appointment option available for *only \$49.00*.
- b. If you choose to forgo having a Bridal trial, please understand your stylist will only have an hour to create your Bridal hair look and about an hour to create your Bridal makeup look on your wedding day.
- c. Bridesmaids and other wedding party members are encouraged to schedule trials as well. We will make every effort to put Bridesmaids with the same service provider they will be seeing on the wedding day, however due to scheduling this may not always happen and is subject to change. During all trials the stylist will always take thorough notes and pictures so every look can always be re-created.
- d. Please make sure you arrive on time to your trial with clean dry hair. There is no guarantee we can do the service if you arrive with wet hair and need it to be blown-dry. There will be an additional **\$25 added** to the trial fee if a blow-dry is needed.
- e. During the hair trial your stylist will advise on what cut, color, and condition of the hair is needed to achieve your desired look. If a longer fuller look is desired, stylist will advise on clip-in or fusion extensions. Be sure to bring your veil or any decorative clips you might want to wear to be able to see the finished look. Pictures and ideas are always helpful!
- f. It is recommended to book your trial and reserve that time as early as possible to assure your day-of wedding stylist is available for your trial. We recommend you schedule your trial for about **a month prior** to your wedding date. At this point your hair and skin tone will be similar to what it will be on your wedding day.

On-Location Services

5. On-location services are available and are subject to the following additional fees'.
 - a. The travel fee for up to 2 stylists and up to 2 hours on location is \$125.00. If additional time and/or stylists are necessary, there is an additional \$25.00 per hour per stylist fee.

- b. These prices are valid for locations up to 15 miles from Belleza Salon. (This is researched according to Google Maps.)
- c. Any locations 16+ miles is an additional \$10.00 per stylist per hour on-location- therefore the first 2 stylists for up to 2 hours is \$165.00 and each additional stylist or time needed is \$35.00 per stylist per hour.
- d. On-location services depend on the availability of hair designers/makeup artists and distance of the event. Our Bridal Specialist will check availability once the contract is submitted and will advise on how many stylists are necessary to complete the services requested by the timing that is stated on the Reservation Form, and will then request your deposit.
- e. The travel fee is due in full at time of deposit.
- f. Due to the possibility of other weddings and services previously booked, if the location of travel changes after the deposit is paid, we cannot guarantee the ability or time to allow the change of travel location.
- g. Any distance further than 50 miles from Belleza Salon needs to be pre-approved and will have additional fees.

Day-of Wedding

11. Day-of wedding services are scheduled out by the Belleza Bridal Specialist to assure everything runs smooth and on time. The time services need to be finished is a working-off point for timing. Due to the possibility of other weddings and services being booked, timing may change a bit but Belleza will always have Bridal Parties done by the time stated on the Reservation Form or earlier. If there are specific people that need to be finished early or at a certain time, please note this on the Reservation Form and we will make every effort to accommodate this. A finalized schedule will be sent a week prior to the wedding. **Due to busy wedding weekends, Belleza may not have the ability to change timing, or add services if such requests are made after the Reservation Form, Contract, and Deposit are received but will make every effort to accommodate all requests.**

Initial: _____

12. Please be sure all bridal party guests arrive **10 minutes prior to the scheduled party start time with clean, dry hair**. Due to providing services to multiple guests, anyone arriving after the scheduled time may not be able to receive their scheduled service unless there is additional time available. Services are prepaid and will not be refunded if a guest is late or misses the appointment. We do not allow for blow-dry time during scheduled Bridal Services. *If the schedule permits*, a blow-dry may be added for an **additional \$25**. This fee will need to be paid at time of service via cash or check. Unfortunately, if time is not available, it will result in no service or refund. We love working with other hair or makeup vendors, but please note busy wedding Saturday's are set based on a schedule. We are happy to coordinate with your other service providers to assure a smooth, on-time day.
